

LIKE JACOB'S WELL

Like Jacob's Well: The Very Human History of Highland Presbyterian Church tells the story of the church and its people over a tumultuous period in history. Blessed by God, for 125 years Highland shaped — and was shaped by — extraordinary people of faith who changed their community and confronted the world beyond.

The book will be richly illustrated with black and white and color historical and contemporary photos. All work on this project is being donated by current and former members of Highland Presbyterian Church. Written by Linda Raymond. Researched by Bill Ellison. Edited by Leonard Pardue. Photo editing by John Sniffen. Original photography by Laurel Anderson. Designed by Jon Reigelman.
