Montreat Youth Conference is a unique event – young people from all over the country, study, worship, recreation, energizers, keynote speakers, small groups, exploration, new people, friends, learn about you, connect with God!

This is a tremendous experience, and we want to make it happen. But it can't happen without your help!!

We need your help securing chaperones. Please, send your suggestions for chaperones to the youth committee at [Melissa@hpc-lou.org](mailto:Melissa@hpc-lou.org). If all 6 chaperones are not in place by April 1, the trip will be canceled and only \$75 can be refunded.

We do have 3 houses (near one another) rented with room for 36 youth and adults. We have the possibility of sharing a bus or renting our own depending on how many folks register. We will be cooking our own food again this year and are in need of a cook who might be willing to go with us—volunteers or suggestions needed! If you want to be on the planning team for the trip, contact [Melissa@hpc-lou.org](mailto:Melissa@hpc-lou.org).
